US PATENT AND TRADEMARK OFFICE
Washington, D.C. 20231

Ladies and Gentlemen:

This concerns my Formal Patent Application to the USPTO. Title of Invention: "Harrison Free Standing Towers and Missile Defense System". The Patent Application is complete as it was submitted.

My Application Number is 10/065872 (Provided by the USPTO Acknowledgement Receipt). The USPTO Filing Date and Time Stamp is: Tuesday November 26 23:05:49 EST 2002

My USPTO code numbers are:

Customer Number: 34341

Authorization Code: LK4W-HZJI-TEQF

PKI Reference Number: 30314891

EFS ID: 20307 (Provided in the USPTO Acknowledgment Receipt)

I respectfully request that the following term definition be included with my Utility Patent Filing referenced above, provided there is no change in the USPTO Date and Time Stamp for my Patent Application.

Th t rm "Fre standing" Towers m ans: tow rs that d not require cable , extending outward from the towers and connected to ground anchors or other support for stability and support. All high towers today require such support.

If you consider it to be appropriate (without changing the submission Date and Time Stamp for my electronic Patent Application) to indicate this definition in my Patent Application Specification, I have attached a copy of my PATENT APPLICATION SPECIFICATION with the above definition added. Thank you for your cooperation.

I consider this Patent Application to be very important to the national defense of the USA, as you can see from my Patent Application. The US ARMY SPACE AND MISSILE DEFENSE COMMAND has requested my formal proposal to construct a demonstration model for evaluation. I have submitted my proposal to do so.

Would you please confirm receipt of this letter at your convenience. Thank you.

Sincerely,

Wilbur E. Harrison, P.E.

President
